**Date:** 1889  
**Place:** Paris  
**Color:** Color  
**Condition:** VG  
**Size:** 17 x 12 inches  
**Price:** SOLD

### Description:

One of the very few maps to locate the short lived "Lincoln Territory", which was apparently a named considered for North Dakota. Lincoln Territory maps are much rarer than Colona (Colorado) and Frankinia (Western Carolina/Eastern Tennessee) maps, but not quite as scarce as maps naming the Territory of Jefferson (also Colorado). A nice example of this wonderful ephemeral bit of American History.
