## Carta Esatta rappresentante l' Isola di Cuba del Sigr. Poppler

**Stock#:** 6260  
**Map Maker:** Gazzetiere Americano  
**Date:** 1763  
**Place:** Livorno  
**Color:** Uncolored  
**Condition:** VG+  
**Size:** 12.5 x 10.5 inches  
**Price:** SOLD

### Description:

Highly detailed map of Cuba, from the Gazzettierr Americano. The details and layout of the map make it appear to almost certainly be based upon Popple's wall map, as the topographical style and content are identical to Popple. The map also shows the south tip of Florida, the Bahamas, Jamaica and the Grand Caymans.
