### Massachusetts

**Stock#:** 63036  
**Map Maker:** Bradford  
**Date:** 1835  
**Place:** Boston  
**Color:** Outline Color  
**Condition:** VG+  
**Size:** 10 x 8 inches  
**Price:** \$ 125.00

### Description:

Interesting and detailed map of Massachusetts, from an early edition of Bradford's *Comprehensive Atlas*.

The map is colored by counties and shows towns, rivers, lakes, bays, harbors, islands and other important places. Bradford's *Comprehensive Atlas* launched him as one of the prominent cartographic publishers of the period. This and his larger atlases, published first in 1838, were one of the most popular of the period.
