Description:

Decorative pictorial map of Snowmass Village, Colorado, drawn by artist James Giattino.

The map promotes the recreational industries of Snowmass, both summer and winter. The ski mountain can be seen across the top, highlighting the four peaks serviced by ski lifts, with 14,000 foot mountains of the Rockies in the distance, and several hot air balloons across the horizon.

Snowmass Village is packed with advertising for various local restaurants, hotels, sports apparel stores, and other businesses, including horseback riding and rafting in the foreground.
