Description:

Interesting board game in the form of a map of a city, depicting various issues in local urban government as seen through the lens of the 1970s.

This game was published as a foldout in *Psychology Today* but it was also produced as a stand-alone board game.

Various actors including Business, Government, Agitators, and Slum Dwellers play a role in the game mechanics.

The end goal is a utopian "Future City" shown in a geodesic dome, reaching this marks the end of the game.

Detailed Condition:

Folds, as-issued.
