Cuba (with early appearance of the Cayman Islands)

The Ye.de Lagartos shown north of Jamaica, is one of the earliest references to the Cayman Islands to appear on a map. An important early map for collectors of this Island.

The map was first published in Porcacchi's seminal *L'Isole Piu Famose Del Mondo*, which appeared in various editions between 1572 and 1620 and later published by Lasor a Varea.

Detailed Condition:

Some foxing and soiling.
