Description:

Very scarce regional map of Germany, centered on Baaden Baden. Shows the region south and west of the Rhein and southeast of the Moselle River.

Shows rivers, roads, towns, castles, forests, lakes and a host of other details. Quite possibly the most detailed map of this region to appear in an 18th Century Atlas. From Von Reilly's exceedingly scarce *Schauplatz der funf Theile der Welt*. Von Reilley & Schaembl led a revival of map making in Vienna in the late 18th Century which included this and several other sought after works.
