Topographical features such as mountains and lakes, many ski areas, etc. are named, such as Squaw Valley Ski Area, Tahoe City Ski Hill and Bijou Ski Hill Golf Course.

The map was utilized by the Lake Tahoe-Sierra Chamber of Commerce to illustrate a promotional pamphlet.

Gerald A. Eddy did several maps of the Lake Tahoe area, as well as other illustrations, although he is perhaps best known as the illustrator of several interesting historical maps of the Los Angeles area, including *The old Spanish and Mexican ranchos of Los Angeles County*.
