### Description:

#### *Includes Oklahoma Early City Maps!*

Fine large map of Oklahoma, published by the General Land Office in 1914.

The map includes some of the earliest city plans for Oklahoma cities, including:

- Oklahoma City
- Tulsa
- Guthrie
- Muskogee
- McAlester and Vicinity

The map illustrates towns, county boundaries, county seats, Land District Boundaries, National Parks, National Game Preserves, National Forests, Military Reservations and a large Osage Indian Reservation at the top.

The roads and railroads within the state are meticulously given, as are topographical details.
