### Description:

First edition of this rare 3 sheet automobile road map of Java, published in Jakarta for the Java Motor Club.

Superimposed over a topographical map of Java, this finely detailed map provides a fine depiction of the roads on the Island of Java, which are coded to illustrate the type of road, including:

- Main Roads
- Other Roads
- Roads Under Construction
- Paths for improvement

Other important details noted include:

- Sugar Manufacturing
- Antiquities
- Railways
- Tramways
- Stations

A fine early road map at the dawn of the auto touring era.

### Koninklijke Vereeniging Java Motor Club

The Javasche Motor Club or Java Motor Club was founded in Semarang on March 27, 1906. Its full name is Koninklijke Vereeniging Java Motor Club. Over the years, J.M.C. changed its name to Indische Motor Club (I.M.C.), Indonesische Motor Club and now as the Indonesian Motor Association.
