### Description:

Rare separately issued map of Colorado, published by Rand McNally.

Fine large format map on a format we have not seen in a number of years, with interesting information and illustrations below the map.

Red overprinting identifies the two Congressional Districts. Includes railroads, roads and trails, watersheds, forest lands, reserves, and much more. Below the map are numerous maps and photographs including a plan "Denver & Vicinity," and images of the Capitol at Denver. On verso is an extensive "Index to Colorado" which lists counties with their square miles and cities with population and location.

The map folds into 6.7" x 10" printed cloth hard covers. The cover includes a price of \$3.00, and the Colorado State Seal.

### Detailed Condition:

Folding map with original covers. Extensive clear tape repairs on recto and verso, mostly closing fold separations.
