Description:

Rare book of 24 black and white photographs of the University of Minnesota. OCLC gives a date of 1907 - this example with ink annotations to after 1913 (one image notes that a building was burned down that year).

The best image is probably that of an early Gopher Football game, taken as a panorama. (The Hathi Trust version of the book lacks that image.)

Detailed Condition:

Quarto. Original printed covers with an integral photo of the campus. Original ties. (Ties have torn the leaves and binding in places. Otherwise Very Good.)
