Description:

Rare whimsical pictorial view of Seattle, Washington, designed by Penthouse Studios in Vancouver and signed by artist "Robbie."

A magnificent tour de force of pictographic detail. Signed only "Robbie," we are relatively certain that the artist is Robby Nyman, who produced several other similar city view pictorial maps in the early 1970s, while based in Vancouver.

The map is packed full of Seattle history, local business promotion, and humor.

Rarity

The view is apparently quite rare. We were unable to locate any other examples.

Detailed Condition:

A few minor marginal tears and abrasions, but generally a nice example.
