### Description:

Nice detailed map of South America, showing the organization and detail of the continent in the last decade of its control by the Spanish and Portugese. Many of the old regional names still appear, including Caracas, Quito, Matto Grosso, Pernambuco, Pampas, Tucuman, Minas, Geras, Chaco, Maranham, Cuyo,, Patagonia, etc. Major upheavals would change the political landscape radically over the next 40 years, completely re-shaping the geopolitics of the continent. Very narrow margins, sometimes touching neatline. Minor soiling.
