Description:

Detailed bi-lingual map of the Arabian peninsula printed for ARAMCO in 1973.

The map has an Arabic-language version on one side and an English version on the other.

Major roads and towns are labeled. Asphalted, Designed, and Proposed Roads, and Roads Under Construction are all differentiated.

The map shows the Kuwaiti-Saudi Neutral Zone and the Iraqi-Saudi Neutral Zone. Furthermore, it does not specify international borders with any of Saudi Arabia's neighbors except those to the north. Israel is not labeled and its border is not depicted.

An excellent map for 20th-century Arabian Peninsula geopolitics.

Detailed Condition:

Small tape stains in the corners on the English-language size.
