Description:

A beautiful map of the North and Baltic seas, published in Thomson's *New General Atlas*.

This is one of the sea charts to have appeared in the *Atlas* and it Includes excellent coastal detail, soundings, and more. The chart shows and names many reefs and banks.

The map contains insets of the harbour of Heligoland, the port of Revel, and the harbor of St. Petersburg. Again, these contain excellent detail, with soundings and more. This spectacular map is printed on heavy paper and has ample margins.
