Description:

Wall Map of Polar Explorations

Rare wall map of the Discoveries in the Arctic, including the quest to reach the North Pole and search for the Northwest Passage, published by the British Admiralty.

The map provides an elaborate large format treatment of the Polar regions in the Western Hemisphere, with a meticulous accounting of important milestones, explorations and other details relating to the history of polar exploration.

Rarity

The map is very rare on the market. We were unable to locate another example in at auction or in a dealer catalog.

Detailed Condition:

One old slit, with stain from an old tape repair.
