Description:

One of the best maps of the Southwest and the Republic of Texas to appear in an English Atlas. The map includes extensive details in both Upper California and Texas, including roads, forts, Indians, towns, rivers and topographical detail. Several lengthy notes describe the Terrain in upper California. Includes an oversized stovepipe Texas extending to nearly Cheyenne Wyoming. An essential map of the southwest. A bit of soiling in the upper left corner. Normally a \$500.00 map.
