Description:

Attractive Italian map of the Pearl or Canton River showing its outflow near Macao and Hong Kong. The river passes through several major cities including Kuangscieu (Guangzhou) and Fasciang (Foshan) along its many branches before flowing into the South China Sea. Relief is shown for the mountain ranges in the area. Hong Kong Island is named, with two settlements, Vittoria and Kaolung. The depth of the ocean offshore is also shown.

This map appeared in Leonardo Vallardi's *Nuova Geografia Universale*.
