### Description:

A classic antique color-printed image of the Wild West, showing a cowboy bandit holding up the engineers of a steam locomotive while one of his accomplices ransacks a train car in the background.

We have been unable to identify the maker, although it appears to be signed in the lower left corner.

The man at the bottom left may be an outlaw and looks a bit like Henry Alonzo Longabaugh (Sundance Kid), but the Wild Bunch was not active in Arizona.

### Detailed Condition:

Soiled and abraded, with loss of image
