### Description:

Striking birdseye view style maps of Long Beach and Greater Los Angeles, published by the Long Beach Chamber of Commerce.

This well illustrated promotional pamphlet features a bird's eye view map of Los Angeles County with Long Beach centrally located at the lower edge and another map of the City of Long Beach California, each designed by Mary Hall Atwood and bordered with numerous vignette illustrations of points of interest.

The verso contains information on how to "Make Long Beach Your Vacation Headquarters."

**[Southern California] / City of Long Beach, California**

While Mary Atwood's map of Los Angeles published for the 1932 Olympics appears on the market, this Long Beach map is much rarer. This is the second example we have offered in over 20 years.
