Description:

This attractive color-printed map from 1914 features San Francisco and its surrounding areas, showcasing the Southern Pacific railroad lines, Southern Pacific ferry lines, and streetcar lines. An inset map in the upper right corner displays "San Francisco and Adjacent Territory." The map is accompanied by a very extensive street index surrounding the image.

The cover title reads, "Map of San Francisco What to See How to See Southern Pacific the Exposition Line." On the verso, there is an extensive essay providing information about San Francisco, making this map an insightful resource for understanding the city and its transportation options during that time.

Detailed Condition:

Folding map printed on both sides. Some minor fold separations and wear.
