Description:

Likely first edition of this striking promotional map advertising the routes of the Rock Island Railroad.

The map provides a fine template of the state of American Railroads in the middle of the 1880s and was clearly, at that point, being updated on an annual basis.

We track editions published in 1883, 1884, 1885, 1886, and 1889.

The map is rare on the market. OCLC locates 2 examples of the 1883, 1 example of the 1884, and 2 examples of the 1885 edition.

Detailed Condition:

Minor dampstains across center and minor restorations long centerfolds.. Folding map. Timetables printed on verso.
