### Description:

Fine 12 sheet map of Stockholm, published by the Generalstabens Litografiska Anstalts Forlag in 1909.

Alfred Bentzer's map shows Stockholm's inner city and its immediate surroundings. It is based on the Topographical Corps map drawn up 1862-1867. The image consists of twelve map sheets, bound as a book.

The 12 different map sheets titled 1 "Bladet Karlberg", 2 "Bladet Marieberg", 3 "Bladet Norrtull", 4 "Bladet Kronoberget", 5 "Bladet Hornstull", 6 "Bladet Östra stationen", 7 "Bladet Gustaf Adolfs torg", 8 "Bladet Södra stationen", 9 "Bladet Ladugårdsgärdet", 10 "Bladet Djurgården", 11 "Bladet Barnängen" and 12 "Staden innan broarne".

This is the second state of the map, which was first published in 1899.
