Description:

Scarce early map of the Polar Regions, published in London.

The map shows the extent of discoveries through 1797. Includes notes on Hearn's Discoveries and shows the results of the explorations of Cook and Vancouver along the NW Coast of America. A number of Indian Tribes are named in Canada, including the Dog Ribb'd Indians, Copper Indian, and Hare Indians.

This map typically appears with later dating, typically 1800 or 1808, making this an unusual early edition.
