#### Description:

The final edition of Thayer's large pocket map of Colorado, published in Denver.

Thayer was one of the earliest map publishers in Colorado and without question the most active during the period. He initially published a Colorado map with Rufus Blanchard in Chicago in 1870-71, before relocating production to Denver.

The present example was likely sold at Swann Galleries, as indicated by a pencil note on the verso.

#### Detailed Condition:

Folds into original covers. Several minor fold breaks, but generally in fine condition.
