### Description:

Nice example of this rare pictorial map of Mount Rainier National Park, "Made on Purpose by Jolly Lindgren."

This comic pictorial map is full of puns and comic vignettes related to Mount Rainier National Park.

The scale in the lower right is labeled: "You scale it, that's why you're here!"

The Paradise Valley Inn is described as "Lousy with wildflowers."

The Carbon River is called "Yesterday's Glacier".

The Lindgren Brothers issued a number of other silly whimsical maps of national parks and other parts of the West. This map is one of the earlier in the series. For another example of a Lindgren Brother's map, see: <http://www.raremaps.com/gallery/detail/46227jc>
