Description:

A Curious Blend of Strip Maps and Larger Maps

Highly unusual early road map, showing the major highways in California, Washington and Oregon.

The map includes 10 early strip maps (8 on verso), illustrating various sections of highway between Vancouver and San Diego, with smaller inset maps showing illustrating local cities. Also includes an elaborate mileage table for the west coast.

The map was published by the American Toll Bridge Company, formed in 1923 and operated the Carquinez Bridge and the Antioch Bridge over the San Joaquin River, "Gateway to the Netherlands of America."
