Description:

A nice example of the much sought after large format survey of San Diego Bay, from the US Coast Survey. Extends from False (Mission) Bay and the Pacific Beach area, south to Imperial Beach and the Mexican border. Hundreds of soundings. Shows several of the Ranchos, New San Diego, Old Town, Ballast Pt., La Playa, Valley of Tecolote, a Light House, Valley of Carbonera, and the old and new river beds of the San Diego River, among other things. A highly desirable SD map. Flattened and backed on heavy paper. With a tiny bit of loss to the lower left neatline, else a nice example. Normally a \$500.00 map.
