Description:

Rare variant Rand McNally folding map of Iowa, reconfigured by Kimball & Campbell of Storm Lake to promote migration to the area and the sale of real estate.

Rand McNally produced the map in Chicago as a special job - adding the text above the image referring to Kimball & Campbell. Then the map was added to the 20-page pamphlet, which was printed by Pilot Job Print of Storm Lake. That imprint location must be rare even in the context of local Iowa printing.

Detailed Condition:

Folding map mounted in the back of a 20-page pamphlet in original paper covers.
