#### Description:

Nice full-color example of Tallis's map of New Zealand. Engraved in Tallis' ornate style, the map shows North and South Island with many towns, geographical features, and more all shown.

As always with Tallis' maps, the work includes decorative vignettes. These show Auckland, Wellington, Mount Egmont (now Mount Taranaki) as seen from New Plymouth, a Maori Warrior, and a seal.

The map was engraved for R. Montgomery Martin's *Illustrated Atlas*. Tallis was one of the last great decorative map-makers and his maps are prized for the wonderful vignettes of indigenous scenes, people, and items they portray.
