Description:

Rare Early Edition of The Lucas Map of Tennessee

Handsome example of Fielding Lucas's early map of Tennessee, from his *New & Elegant General Atlas of the United States* . . .

There are a number of unnamed counties in the west. Henry, Carrol and Madison County are all named, having been created in November 1821.

Striking example of Fielding Lucas' fine work, which distinguished him as the best publisher of the era. His maps are printed on a higher quality paper than contemporary maps by Carey & Lea and demonstrate a superior engraving quality and more attractive coloring style.

Rarity

All Fielding Lucas maps are rare, but the pre-1823 maps are especially rare.

This is the first time we have ever seen this map offered for sale.
