Description:

Scarce double hemisphere map of the World, published by Antoine De Fer in Paris.

The map shows California as an island, a massive Northwest Coast of America and massive Terra Australis Incognita and primitive depiction of America.

Korea is shown as an island, with the Philippines, Luzon (Leuconia) and Mindanao named, but no sign of Singapore or a well defined depiction of Indonesia and the Malay Peninsula.

Beach and Lucach are shown in Terra Australis, hold over names from Marco Polo.
