Description:

Boston - Anapolis Royal - Plaisance

This is the rare title sheet introducing the first three harbor charts from Henry Popple's 20 sheet map of the British Colonies in North America.

Popple reproduced the harbor charts from Popple's 20 sheet map in a set of 3 sheets. this is the first sheet, with the advertisement.

While the map maker is not formally identified, we infer from the initials (PB), the date of the map, the privilege and the address on the map "Quay de la Megisserie au St. Espirit pres le Pont Neuf," that the maker must be Philippe Buache.

This is one of the earliest obtainable maps to incorporate the views from Popple's map.

Rarity

This is the first time we have ever seen this sheet on the market.
