Description:

Scarce Pocket Map Edition

Detailed map of New York City and vicinity, oriented with North at the top, published by GW & CB Colton.

The map is unusual for the period, as most double page atlas maps of New York City from this era are oriented with East at the top.

Shows parks, streets, wards, buildings, rail lines, wharfs, and many other features. Inset of Upper NYC and part of Westchester County. Also shows much of Brooklyn, Hoboken and Jersey City.
