### Description:

Detailed plan of New York, extending from 45th Street to the Battery and showing Green Point, Williamsburg and Brooklyn. Excellent detail throughout the map, including streets, wharfs, ferrys and distances, rail lines, parks, buildings, naval yard etc. SA Mitchell Jr. acquired his father's former business from DeSilver in 1860 and relaunched a very successful atlas publishing business which survived another 20+ years, before licensing and selling off much of his inventory and rights. An excellent Civil War vintage map of the region.
