Price: \$ 345.00

Description:

Albany called Albania!

Rare Italian map of the United States, Florida, Louisiana and Canada, which appears to have been issued during the American Revolutionary War.

The US is called Province Unite, with Albany, New York called Albania. The city (or more likely Indian Village) of "Alibamous" is shown in Alabama.

Many Indian Tribes named.

Fascinating oversized Florida and many early forts are named.
