Description:

A fine full color example of Merian's double hemisphere map of the World, showing California as an island and a large unknown southern continent. Includes symbols for the sun, moon and the four elements, along with Hebrew letters in the center. The map was included in Merian's German edition of Tommaso Garzoni's Piazza Universale, first issued in Venice in 1585. This is the only edition to include Merian's map, which Shirley rates as Uncommon (Shirley 356A). A fine full color example.
