### Description:

Decorative map of Italy, Sicily, Corsica and Sardinia, with large inset views of Mt. Aetna, Mt. Vesuvius and A Cataract of Air on Mount Aeolius. Marvelous cartouche with coat of arms and other scenes. The map is visually attractive, but has a number of repaired tears within the image and some places where the paper is lifting. It would look marvelous in a frame, but it is not a perfect copy. Normally a \$2000 map.
