#### Description:

Nice example of an early map of Wisconsin, issued a decade after it first became a territory.

The lands south of the Wisconsin and Fox Rivers are largely surveyed and many early counties, towns, etc. appear. The region to the north is dominated by St. Croix and Crawford Counties, previously the lands of the Winnebago, Menomonie, Oneida, Sioux and Chippewa. Massive Carver claim remains, now nearly 100 years old.

The south is filled with roads, and towns, the north rivers, portages, etc. One of the best early maps of Wisconsin in full original color.

#### Detailed Condition:

Original hand-color by county.
