Description:

A handsome bird's-eye view of Winona, Minnesota, in the Mississippi River Valley, issued by A.T. Andreas in 1874.

The view was published by George H. Ellsbury & Vernon Green, with the multi-stone lithography by Charles Shoher & Co. of the Chicago Lith. Co.

The view appeared in the deluxe editions of A.T. Andreas's 1875 *Atlas of Minnesota*, along with views of [St. Paul](#) and [Minneapolis](#).

Winona's historic downtown, with its impressive brick buildings, is easily deciphered in this beautiful view.

Reps lists three other bird's-eye views of Winona from 1866 to 1889. All of these are rare.
