Size: 18 x 14.5 inches
Price: SOLD

Description:

Dutch version of Mitchell's map of North America, which first appeared in Isaak Tirion's *Hedendaagsche Historie, of Tegenwoordige Staat van Groot Brittannie. Tweede Deels eerste Stuk*, published in Amsterdam in 1755.

The map faithfully reproduces Mitchell's map on a reduced scale, including the colonial boundaries, stretching to the Mississippi River and beyond, with several interesting annotations.

The map was re-issued in 1769 in Tirion's *Nieuwe en Beknopte Hand-Atlas*.
