Description:

An Exceptionally Detailed Survey of New York City and Long Island, Prior to a Century of Explosive Growth

An interesting and possibly unique presentation of 17 contiguous U.S. Coast and Geodetic Survey topographical sheets covering the area between Hoboken, New Jersey and Montauk, inclusive of Manhattan and Staten Island.

These Coast and Geodetic topographical survey maps are almost unparalleled in their detail, depicting individual houses and blocks throughout the entirety of Long Island.

All of the maps bear the ink stamp of August R. Ohman "Map Publisher & Engraver, 97-101 Warren St.,
