Description:

Fine early map of Massachusetts, colored by county and showing the various towns, roads, rivers, bridges, and a host of other details.

One of the earliest obtainable maps of Massachusetts printed in Europe.

Surrounded by text describing the state, its population, governors, religion, education, commerce, climate, topography and other details. From the French edition of Carey & Lea's American Atlas.

The French edition is known for being a superior work, using better paper and a superior engraving technique.
