General map of America, which was almost certainly a proof state of the map for Petri's 3 volume *L'Orbe Cattolico ossia Atlante Geografico Storico Ecclesiastico Opera del Commendatore Girolamo Petri Officiale minutante della segreteria di Stato*.

The map was part of a set of about 100 maps which came to market in 2022, printed on thin paper and mostly uncolored, unlike the typical Petri maps from his 3 volume atlas, which were printed on fine thick paper.

Detailed Condition:

Original hand-color. Printed on thin paper. Discoloration at centerfold.
