### Description:

#### *Statehood for Wisconsin*

Gorgeous example of this early map of Wisconsin, issued in the year after it was granted Statehood in 1848.

The lands south of the Wisconsin and Fox Rivers are largely surveyed and many early counties, towns, etc. appear.

This is the first year in which Brown County, Portage County and La Point County and Chippewa County are shown

The lands of the Winnebagos, Menomonies, Oneidas, N York and Chippewa Indians are shown prominently. Massive Carver claim remains, now nearly 100 years old. The south is filled with roads, and towns, the north rivers, portages, etc.
