Description:

The French edition of Carey & Lea's sought after map of South Carolina.

The map is hand colored by counties and shows the various towns, roads, rivers, bridges, and a host of other details.

Surrounded by text describing the state, its population, governors, religion, education, commerce, climate topography and other details.

From the French edition of Carey & Lea's American Atlas. A gorgeous example. The French edition is known for being a superior work, using better paper and a superior engraving technique. Remarkable detail for the period.
