**Condition:** VG+  
**Size:** 18 x 13.75 inches  
**Price:** SOLD

### Description:

Rare map of Italy, bearing the imprint of Pierre Mariette in Paris.

The map reflects the marvelous early engraving work of the early French Cartographers, coming at a period prior to the commercial success of Nicholas Sanson, at a time when French commercial cartography was still in its nascency.

The map is characterized by fine engraved lines, both in the marvelous cartouche and sailing vessels and the map itself.
