## **Description:**

Interesting double hemisphere map of the World, published by Bion in Paris.

The map tracks the route of and and exploration in the South Pacific, identifying Mendaña, although it appears to be the circumnavigation route of Le Maire and Schouten.

The unknown southern continent is still present, with an incomplete New Zealand and Australia, predating the discoveries of Cook by several decades.

The discoveries of Jean De Gama and of the Chinese and Spanish are noted in in the North Pacific.

**Detailed Condition:** Minor toning and offsetting.
