Description:

Striking full-color example of Tallis's decorative map of Japan and Korea, decorated in Tallis's classical style. The map includes a wealth of detail, with the traditional provinces of Japan outlined and major geographical features shown.

The map is particularly notable for its decorative style, typical of Tallis. Three vignettes are shown, with vignettes of Yedo (Edo, or Tokyo), a state barge and a depiction of Koreans.

Engraved for *R. Montgomery Martin's Illustrated Atlas*. Tallis was one of the last great decorative map makers. His maps are prized for the wonderful vignettes of indigenous scenes, people, and artefacts they show.
